## Bill Lee-Emery

*Bill Lee-Emery has been training and facilitating for over 35 years throughout Australia and overseas and has taught thousands of people how to improve various aspects of their lives.*

He has worked with many elite sportspeople including the Australian National Skydiving Team and other individuals including world-class cyclists, triathletes and golfers.

Bill has also worked with senior management from small organisations to multi nationals on a wide variety of management and leadership issues. Besides his corporate work, Bill facilitated personal growth programs at one of Australia's best-known health resorts on the Gold Coast, Queensland.

He has appeared several times on national Australian TV including 'Good Morning Australia' and 'The Today Show'. Bill has been interviewed by well-known interviewers Philip Adams, Margaret Throsby, Andrew Lofthouse and has featured on various radio programs throughout Australia and overseas.

An early adopter of transformational human exploration, Bill is an mBIT (multiple Brain Integration Techniques) Coach and one of a small number of mBIT Master Trainers in the world. He teaches coaches, leaders and the general public how to align their three brains for better personal and professional outcomes.

Bill is the author of four books including: 'Are You Dying to Get To Work?' and 'Stop Procrastinating' and is currently writing a book for Heart Based Entrepreneurs.

He has written several articles in national magazines on mBraining and its application in decision making and living a fulfilling life.
