Professional Experience: International Keynote Speaker

Philip Martin is famous for creating the **The “30-Day” MIND DIET Mind Management system™**. He works with fast-growing companies and leading organizations around the world, creating high-impact, customized solutions for all levels of stakeholders from CEO’s to employees.

Philip’s engaging and down-to-earth speaking style always gets high marks from audiences, and he has shared the stage with many of the leaders in the field of Personal Development and continues to be in high demand as a platform speaker all around the world.

As the leading authority in Asia on how to eliminate limiting beliefs and rewire your brain for success, Philip delivers seminars and workshops that have been called “transformational for anyone who wants to succeed in a corporation or as an entrepreneur”.

Philip is a Gold Star Approved Bob Proctor Trainer working alongside Bob Proctor (star of the worldwide hit movie “THE SECRET”) in the Life Success and Proctor Gallagher Institute as one of his top Instructors in Europe and USA.

Prior to working in the field of Personal Development Philip worked for the UK government in a SFEDI (Small Firms Enterprise Development Initiative) accredited Business advisor providing impartial and practical business advice and guidance to start-up and SME’s.

Education Achievements:

Honours degree in Geology from Kingston University, United Kingdom.

- SFEDI Accredited business advisor
- Certified Bob Proctor Consultant
- Certified TACK International (Leadership & Management)
- Certified Harvard Business School (Negotiation Mastery)

Specializing in:

- Leadership
- Change Management
- Team Building
